

SANCTUARY AT DORAL APPLICATION AGREEMENT

Before you proceed, we want to let you know that Sanctuary uses a third-party screening company which utilizes certain guidelines to qualify applicants for occupancy in our community, so it treats all applicants objectively. In addition to other factors, your consumer credit score will be used to determine if your application will be accepted, rejected, or accepted on the condition that an additional security deposit is paid, or a guarantor be added to your application. Also, a criminal background check and previous evictions will be conducted. Certain criminal history and prior evictions may result in a rejected application. If your application is rejected or is accepted with conditions, you will be given the name, address, and telephone number of the consumer reporting agencies which provided your consumer information to us. An applicant rejected for unsatisfactory credit is encouraged to obtain a copy of the credit report, correct any erroneous information that may be on the report, and submit a new application to this community for further consideration.

I hereby consent to allow Sanctuary at Doral, LLC and Shoma Management LLC, through its designated agent and its employees, to obtain and verify my credit and employment information, including a criminal background search and previous occupancy history, for the purpose of determining whether or not to lease me an apartment. I understand that should I lease an apartment, the community, and its agents shall have a continuing right to review my credit information, rental application, criminal background, payment history and occupancy history for account review purposes and for improving application methods.
