We and you agree that the failure to pay rent timely or the violation of the animal restrictions results in added administrative expenses and added costs to us, the same as if we had to borrow money to pay the operating costs of the property necessary to cover such added costs. We both agree that the late fee and animal violations

provisions are intended to be liquidated damages since the added costs of late payments and damages in such instances are difficult to determine. We also both agree that the amount of late rent and animal violation fees charged are reasonable estimates of the administrative expenses, costs, and damages we would incur in such instances.

All of the foregoing charges will be considered to be additional rent.

Resident shall not heat the apartment using gas-operated stoves or ovens which were intended for use in cooking.

Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Landlord, they will be allocated first to non-rent charges and to rent last. Renter's insurance may not cover damage to your property due to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA). After termination, you are entitled only to refund of deposit(s) and any rent paid. Rent abatement or Lease Contract termination does not apply if delay is for cleaning or repairs that don't prevent you from occupying the apartment.

You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke detectors and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements and/or added fixtures to the apartment (whether or not we consent) become ours unless we agree otherwise

Pest Control. We will make reasonable provisions for the extermination of rats, mice, roaches, ants, wood destroying organisms, and bed bugs. If you are required to vacate the premises for such extermination, we shall not be liable for damages, but rent shall be abated. If you are required to vacate in order to perform pest control or extermination services, you will be given seven (7) days written notice of the necessity to vacate, and you will not be required to vacate for more than four (4) days. We may still enter your apartment as provided in Paragraph 28 (When We May Enter) of this Lease and F.S. 83.53 or upon 12 hours notice to perform pest control or extermination services which do not require you to vacate the premises. You must comply with all applicable provisions of building, housing and health codes and maintain the apartment

and adjacent common areas in a clean and sanitary manner. You must properly dispose of and promptly remove all of your garbage so as to prevent foul odors, unsanitary conditions, or infestation of pests and vermin in your apartment, adjacent common areas (such as breezeways), and other common areas of the apartment community.

Waterbeds. You are allowed to have a waterbed or flotation bedding systems provided it complies with any applicable building codes and provided that you carry flotation or renter's insurance which covers any damages which occur as a result of using the waterbed or flotation bedding system. You must provide us with a copy of the policy upon request. You must also name us as an additional insured at our request.

26.REQUESTS, REPAIRS, AND MALFUNCTIONS. IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE TENANT/MAINTENANCE PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety, We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections. Rent will not abate in whole or in part.

If we believe that fire, catastrophic damage, extermination issues, mold and mildew or any habitability issues whatsoever is substantial, or that performance of needed repairs poses a danger to you, we may terminate this Lease Contract within a reasonable time by giving you written notice.

27. ANIMALS. No animals (including mammals, reptiles, birds, fish, rodents and insects) are allowed, even temporarily, anywhere in the apartment or apartment community unless we've so authorized in writing. If we allow an animal, you must sign a separate animal addendum, which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. You must remove an unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. We will authorize assistance animals needed because of a disability for you, your guests, and occupants pursuant to the parameters and guidelines established by federal, state and local Fair Housing laws. We may require a written statement from a qualified professional verifying the need for the support and/or service animal. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contractalf an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animalviolation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules. We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a 24-hour written notice of intent to remove the animal, and (2) following the procedures of paragraph 28 (When We May Enter). We may keep or kennel the animal or turn it over to a humane society or local authority. When keeping or kenneling an animal, we won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. We'll return the animal to you upon request if it has not already been turned over to a humane society or local authority. You must pay for the animal's reasonable care and kenneling charges. We have no lien on the animal for any purpose.

- 28.WHEN WE MAY ENTER. Pursuant to Fla. Stat. §83,53, we may enter the dwelling unit at any time for the protection or preservation of the premises, in the case of an emergency, or if you unreasonably withhold consent. If you or any guest or occupant is present, then repairers, servicers, contractors, our representatives or other persons listed in (2) below may peacefully enter the apartment at reasonable times for the purposes listed in (2) below. If nobody is in the apartment, then such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary in emergencies) if:
 - we provide you with written notice to enter at least 12 hours prior to the entry to take place between the hours of 7:30 a.m., and 8:00 p.m.; and
 - (2) entry is for: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke-detector and carbon monoxide detector batteries; retrieving unreturned tools, equipment or appliances; preventing waste of utilities; exercising our contractual lien; leaving notices; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing installing or safety hazards (including hazardous materials), or items prohibited under our rules; removing perishable foodstuffs

if your electricity is disconnected; removing unauthorized animals; cutting off electricity according to statute; retrieving property owned or leased by former residents; inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents; or any other reasonable business purpose.

29. JOINT AND SEVERAL RESPONSIBILITY. Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 41 (Deposit Return, Surrender, and Abandonment).

Replacements

30.REPLACEMENTS AND SUBLETTING. Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing.

Procedures for Replacement. If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; or (2) the remaining and replacement residents

must sign an entirely new Lease Contract. Unless we agree otherwise in writing, your security deposit will automatically transfer to the replacement resident as of the date we approve. The departing resident will no longer have a right to occupancy or a security deposit refund, but will remain liable for the remainder of the original Lease Contract term unless we agree otherwise in writing—even if a new Lease Contract is signed.

Responsibilities of Owner and Resident

- 31.RESPONSIBILITIES OF OWNER. We'll act with customary diligence to:
 - keep common areas reasonably clean, subject to paragraph 25 (Condition of the Premises and Alterations);
 - (2) maintain fixtures, furniture, hot water, heating and A/C equipment;
 - (3) comply with applicable federal, state, and local laws regarding safety, sanitation, and fair housing; and
 - (4) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

If we violate any of the above or other material provisions of the lease, you may terminate this Lease Contract and exercise other remedies under state statute only as follows:

- (a) you must make a written request for repair, maintenance, or remedy of the condition to us, specifying how we have failed to comply with Florida law or with the material provisions of this lease and indicating your intention to terminate the lease if the violation is not corrected within seven (7) days after delivery of the notice:
- (b) after receiving the request, we have a reasonable time to repair or remedy the condition, considering the nature of the problem and the reasonable availability of materials, labor, and utilities:
- (c) if our failure to comply with Florida law or material provisions of the rental agreement is due to causes beyond our control and we have made and continue to make every reasonable effort to correct the failure to comply, you may also exercise other statutory remedies.

All rent must be current at the time you give us notice of noncompliance.

32. DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates this Lease Contract, apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state

statute; or (6) any illegal drugs or paraphernalia are found in your apartment.

Termination of Rental Agreement - Your Failure to Pay Rent Due. If you default by failing to pay rent when due and the default continues for three (3) days, not counting Saturday, Sunday, and court-observed legal holidays, after delivery of a written demand for payment of the rent or possession of the premises, we may terminate the rental agreement. Termination of this lease for non-payment of rent, or termination of your possession rights, filing of an action for possession, eviction, issuance of a writ of possession, or subsequent-reletting doesn't release you from liability for future rent or other lease obligations.

Termination of Rental Agreement - Your Failure to Comply with F.S. 83.52 or Material Provisions of the Lease.

- If you default by materially failing to comply with F.S. 83,52 or material provisions of this lease, the rules and regulations, or any addenda (other than failure to pay rent due), and the non-compliance is of a nature that YOU SHOULD NOT BE GIVEN AN OPPORTUNITY TO CURE or if your non-compliance CONSTITUTES A SECOND OR CONTINUING NON-COMPLIANCE WITHIN TWELVE (12) MONTHS OF A SIMILAR VIOLATION, we may terminate the lease by delivering written notice specifying the nature of the non-compliance and our intention to terminate the lease. Upon receiving such a lease termination notice without opportunity to cure or constituting a second violation within 12 months, you will have seven (7) days from delivery of the notice to vacate the apartment and premises. Examples of non-compliance which are without opportunity to cure include, but are not limited to, destruction, damage, or misuse of our or other resident's $% \left(1\right) =\left(1\right) \left(1\right$ property by your intentional acts or a subsequent or continued unreasonable disturbance:
- (2) If you default by materially failing to comply with F.S. 83.52 or material provisions of this lease, the rules and regulations, or any addenda (other than failure to pay rent due), and the non-compliance is of a nature that YOU SHOULD be given an opportunity to cure it, we may deliver a written notice to you specifying the nature of the non-compliance and notifying you that unless the non-compliance is corrected within seven (7) days of delivery of the notice, we may terminate the lease. If you fail to correct the violation within seven (7) days of receiving such notice or if you repeat same conduct or conduct

of a similar nature within a twelve (12) month period, we may terminate your lease without giving you any further opportunity to cure the non-compliance as provided above. Examples of non-compliance in which we will give you an opportunity to cure the violation include, but are not limited to, unauthorized pets, guests, or vehicles, parking in an unauthorized manner, or failing to keep the apartment and premises clean and sanitary. We will also have all rights under Florida law and this lease to tow or remove improperly parked vehicles in addition to our remedy of terminating the lease for such violations.

Termination of this lease for non-compliance with F.S. 83.52 or material provisions of the lease, termination of your possession rights, filing of an action for possession, eviction, issuance of a writ of possession, or subsequent reletting doesn't release you from liability for future rent or other lease obligations,

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) we may file a holdover eviction lawsuit pursuant to Fla. Stat. §83.58 to recover possession of the dwelling unit, double the amount of rent due for each day that you continue to holdover and refuse to surrender possession during the holdover period, breach of contract damages, attorney fees and court costs as may be applicable; or (3) at our option, we may extend the Lease Contract term—for up to one month from the date of notice of Lease Contract extension—by delivering written notice to you or your apartment while you continue to hold over.

Other Remedies. We may report unpaid amounts to credit agencies. If we, or a third-party debt collector we use, try to collect any money you owe us, you agree that we or the debt collector may call you on your cell phone and may use an automated dialer. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Attorney fees and all other expenses shall be deemed "costs". Late charges are liquidated damages for

our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts bear 18% interest per year from due date, compounded annually, You must pay all collection-agency fees if you fail to pay all sums due within 10 days after we mail you a letter demanding payment and stating that collection agency fees will be added if you don't pay all sums by that deadline. Unless modified by Addendum, you will also be liable for all of our actual damages related to your breach of the Lease Contract.

Choice of Remedies and Mitigation of Damages. If you move out early, you'll be subject to paragraph 11 (Early Move-Out) and all other remedies. If we regain possession of the apartment as a result of your breach of the lease, or because you surrendered possession of the apartment, or because you abandoned possession of the apartment, or because we obtained possession through eviction proceedings, unless modified by Addendum, we may either (a) treat the lease as terminated and re-take possession FOR OUR OWN ACCOUNT; (b) re-take possession of the apartment FOR YOUR ACCOUNT and attempt in good faith to re-let it on your behalf; or (c) take no action to obtain possession or re-let the apartment and continue to collect rent from you as it comes due. If we take possession of the apartment for our own account, then you will have no further liability for rents under the remainder of the lease. If we take possession of the apartment for your account and attempt to re-let it, you will remain liable for the difference between the rental remaining due under the lease and the amount we are able to recover by making a good faith effort at re-letting the premises on your behalf. We are not required to make an election of which remedies we choose to pursue nor notify you of which remedies we will select.

Lease Renewal When A Breach or Default Has Occurred. In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, We may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

Remedies Cumulative. Except where limited or prohibited by law, any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, liens, or other rights isn't a waiver under any circumstances. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax or electronic signatures are binding. All notices must be signed.

All remedies are cumulative. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf. All notices and documents may be in English and, at our option, in any language that you read or speak. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies. This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option. YOU AND WE VOLUNTARILY WAIVE ANY RIGHT TO A JURY TRIAL.

CONDOMINIUM OR HOME OWNERS ASSOCIATION RULES:

To the extent applicable, you acknowledge that you have reviewed, understand and will abide by any Condominium or Home Owner Association Rules and Regulations ("HOA Rules") that may be in effect and promulgated from time to time, Your failure to abide by any HOA Rules is a material breach of this Lease Contract. A copy of the HOA rules is on file at the office.

Consent to Solicitation. You hereby expressly authorize us, our representative(s), and any collection agency or debt collector (hereinafter collectively referred to as the "Authorized Entities") to communicate with you. The communication may be made through any lawful method for any lawful reason related to amounts due and owing under this Lease. You authorize any and all of the communication methods even if you will incur a fee or a cost to receive such communications. You further promise to immediately notify the Authorized Entities if any telephone number or email address or other unique electronic identifier or mode that you provided to any Authorized Entity changes or is no longer used by you.

All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.

You affirmatively state that you are not a criminal sex offender.

Obligation to Vacate. If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with the Lease Terms paragraph, and we accept such written notice, then you are required to vacate the apartment and remove all of your personal property therefrom at the expiration of the Lease term, or by the date setforth in the notice to vacate, whichever date is earlier, without further notice or demand from us.

- 34.PAYMENTS. Payment of all sums is an independent covenant. When Moving Out

- 36.MOVE-OUT NOTICE. Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by the paragraph 3 (Lease Term and Termination Notice Requirements). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract, You will still be liable for the entire Lease Contract term if you move out early (see paragraph 22 - Release of Resident) except if you are able to terminate the Lease Contract under a separate Addendum, the statutory rights explained under paragraph 11 (Early Move-Out), paragraph 22 (Release of Resident), and/or paragraph 23 (Military Personnel Clause). All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 3 (Lease Term and Termination Notice Requirements), even if you move by the last date in the lease term, you will be responsible for damages permitted under the lease and law. If you fail to vacate by the date set forth in any notice to vacate, we may seek the remedies and damages specified under the "Holdover" paragraph, or we may deem your notice void and you must submit a new written notice. If you fail to provide proper notice and vacate, you will be responsible for damages permitted under the lease and law.
- 37. MOVE-OUT PROCEDURES. The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full. You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must vacate the apartment before the fifteen (15) day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.
- 38.CLEANING. You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.
- 39.MOVE-OUT INSPECTION. You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

40.SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.

You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke-detector and carbon monoxide detector batteries; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burnedout light bulbs; removing or rekeying unauthorized access control devices or alarm systems; packing, removing, or storing property removed or stored under paragraph 13 (Contractual Lien and Property Left in Apartment); removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false security-alarm charges unless due to our negligence; animal-related charges under paragraph 27 (Animals); government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke detectors and carbon monoxide detectors, false alarms, recycling, or other matters; latepayment and returned-check charges; a charge (not to exceed \$100) for owner/manager's time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus attorney's fees, court costs, and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for any charges for replacing all keys and access devices referenced in paragraph 5 (Keys and Furniture) if you fail to return them on or before your actual move-out date.

41. DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.

You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract, or at least 7 days before you vacate or abandon the premises. We will mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an Itemized accounting of any deductions within fifteen (15) days after surrender or abandonment if we do not intend to impose a claim on the security deposit. If we do intend to impose a claim on the security deposit we shall give you thirty (30) days written notice by certified mail to your last known mailing address stating the reason for imposing the claim. If you fail to provide us with your forwarding address in writing, as required above, we will process the unclaimed security deposit in accordance with state law.

Surrender. You have surrendered the apartment when all apartment keys and access devices listed in paragraph 5 (Keys and Furniture) have been turned in where rent is paid.

Abandonment. An apartment is also considered "abandoned" if you are absent from the apartment or premises for at least fifteen (15) days, unless the rent is current or you have notified us in writing of your intended absence.

Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the apartment; determine any security deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (paragraph 13 (Contractual Lien and Property Left in Apartment)), but do not affect our mitigation obligations (paragraph 32 (Default by

the Lease Contract, this Ado	

- 3. PURPOSE: This addendum modifies the Lease Contract to address any infestation of bed bugs (Cimex lectularius) that might be found in the dwelling or on your personal property. We will rely on representations that you make to us in this addendum.
- 4. MANAGEMENT REPRESENTATION AND INSPECTION:
- Management represents that it is not aware of any current infestation or presence of bed bugs in the dwelling unit. Under Florida law, only a licensed pest control professional, hereinafter "Pest Control" is permitted by law to inspect for insects and render an opinion as to infestation or the lack thereof. You acknowledge that you have either: (a) inspected the dwelling before moving in or signing this addendum, and you did not find any evidence of bed bugs or bed-bug infestation; or (b) you will inspect the dwelling within 48 hours of receiving keys for possession of the dwelling and will notify us of any bed bugs or bed-bug infestation. If you do not notify us of any bed bugs within 48 hours of receiving keys for possession of the dwelling, you agree and represent that your dwelling does not have bed bugs at the time you took possession of the dwelling.
- 5. BEDBUG INFORMATION: Resident represents and agrees that he or she has read the information about bed bugs provided by Management and is not aware of any infestation or presence of the bed bugs in Resident's current or previous dwelling(s), home(s), furniture, clothing, or personal property and possessions and has fully disclosed to Management any previous bed bug infestation or issues which Resident may have experienced or are experiencing and has not been subjected to or living in an environment, dwelling, or home in which there was a bed bug infestation or presence. Resident represents that if he or she WAS previously living in a dwelling

or home that had a bed bug infestation that he or she has had all furniture, clothing, and personal property or belongings professionally and properly cleaned and treated by Pest Control that shall certify such items are free of further infestation. In the event Resident discloses a previous experience of bed bug infestation, Management shall have the right to see documentation of the treatment from Pest Control and inspect Resident's personal property and possessions to confirm the absence of bed bugs.

- 6. USED AND DISCARDED ITEMS: Resident acknowledges that used, abandoned or discarded furniture, clothing, and personal property can contain bed bugs which may infest the dwelling and be extremely difficult to control, and the costs associated with treating bed bugs are expensive. Resident represents and agrees that he or she shall not allow such property to enter the dwelling without confirming the absence of bed bugs or having such items properly and professionally cleaned and treated by Pest Control before bringing such items into the dwelling. Resident shall be required to provide proof that any such item has been inspected and or treated by Pest Control.
- 7. ACCESS BY MANAGEMENT AND PEST CONTROL AND RESIDENT COOPERATION: Resident shall allow Management, Maintenance staff and Pest Control to have full access to the dwelling at reasonable times and hours for inspection, pest control, and treatment of bed bugs if any exist. Resident and the Resident's family members, occupants, social guests, and invitees shall cooperate and shall not interfere in any way with inspections or treatments, or this shall constitute a material breach of the lease agreement. Upon confirmation of the presence or infestation of bed bugs, Resident must cooperate and coordinate with Management and Pest Control to treat and attempt to eliminate the bed bugs; Resident must follow all directions of Management and Pest Control to treat the dwelling. Management and Management's Pest Control shall have the right to set all conditions necessary for inspection and treatment of the premises for the presence or infestation of bed bugs. Simultaneously as we treat the dwelling, you must, at your expense, have your personal property, furniture, clothing, and possessions treated according to accepted treatment methods by a licensed pest-control company that we approve. The Resident is required to remove or destroy personal property that cannot be treated or cleaned in the opinion of Management or Pest Control and holds Management and Pest Control harmless for any loss or damages to such personal property. Failure to comply shall constitute a material breach of the Lease Contract and this Addendum.
- 8. NOTIFICATIONS BY RESIDENT: Resident shall promptly notify Management of any conditions that may indicate the presence of bed bugs in the dwelling or in any of Resident's clothing, furniture, and/or other personal property. Resident shall promptly notify Management of any recurring or unexplained bites, irritations, sores of the skin or body which Resident believes are occurring from bed bugs or from any condition or pest believed to be within the dwelling. Resident shall promptly notify Management if he or she discovers any condition or evidence that might indicate the presence or infestation of bed bugs. Resident shall not try to treat the dwelling for a bed bug infestation on his own or hire any outside pest control company and acknowledges that Management has the full right to select its own Pest Control to perform treatments and cleaning of the dwelling and building if necessary. Failure to comply shall constitute a material breach of the Lease Contract and this addendum.

9. METHOD OF TREATMENT: If Management decides to have the dwelling treated and not terminate the tenancy, Management along with Pest Control shall have the sole right to select the method of treating the dwelling or any affected areas. Resident is responsible to follow all protocols or directions from Management and/or Pest Control. Failure to comply shall constitute a material breach of the Lease Contract and this Addendum.

10. ON SITE TRANSFERS OR TEMPORARY VACATING:

- A. On-Site Transfers: If Resident is allowed to transfer on-site to another dwelling in the community, Resident must have his or her personal property and possessions professionally treated by Pest Control prior to transfer in accordance with the instructions of Management and Pest Control and cooperate in preventing further infestation or spreading of bed bugs to another dwelling or building. TRANSFERS TO ANOTHER DWELLING ARE NOT GUARANTEED even if Resident is deemed by Management or Pest Control not to be at fault, Resident will not be eligible for transfer on-site to another dwelling in the community if, in the sole opinion of Management OR Pest Control, Resident or Resident's family members, occupants, social guests, or invitees caused, or are responsible for the infestation or presence of bed bugs in the dwelling or building, have not followed the necessary procedures mandated by Management or Pest Control or if in the opinion of Pest Control, the bed bugs have not been eradicated from the Resident's personal property or an on-site transfer will cause a re-infestation. Failure to comply shall constitute a material breach of the Lease Contract and this Addendum.
- B. Temporary Vacating: If Resident is forced to temporarily vacate the premises and find other temporary accommodations, under Florida law FS 83-51(2)(a)1., Management's only legal responsibility is to abate the rent for the time period Resident cannot reside in the dwelling. Management may choose at its sole option to pay other expenses Resident may incur but has no legal obligation to do so under Florida law. If Resident is requested to temporarily vacate, they shall do so within 7 days of written notice to Resident or this shall be considered a material breach of the Lease Contract and this Addendum. Once Resident has been advised that the dwelling is habitable, Management shall have no further responsibility to abate rent, and Resident shall owe rent and all sums due per the Lease Contract and any addenda.
- 11. RESIDENT CAUSED CONDITIONS: ... If Resident or Resident's family members, occupants, social guests, or invitees are responsible for causing or introducing bed bugs into the dwelling, Resident shall be in default of the lease, subject to eviction, and shall be liable for all rent, damages, cleaning and pest control fees, and other charges related to dealing with the bed bug issue, and Resident shall pay all reasonable costs of cleaning and pest control treatment Management incurs to remedy the bed bug infestation situation. If Management must move other residents out of their dwellings in order to treat adjoining or neighboring dwellings, then Resident shall be liable for payment of any lost rental income and other expenses incurred by Management to relocate the other residents and perform pest control treatment to eradicate an infestation in other dwellings.

- 12. NON-RESIDENT CAUSED BED BUG INFESTATIONS: If in the sole opinion of Management and Pest Control the Resident or Resident's family members, occupants, social guests, or invitees are not responsible for causing or introducing bed bugs into the dwelling, AT MANAGEMENT'S OPTION the Lease Contract may be terminated and Resident may still be required to vacate the dwelling and return possession of the premises to Management if it is determined by Pest Control that it is not feasible to eradicate the infestation with the Resident continuing to reside on the premises. Management shall not be responsible for Resident's consequential losses if the Lease Contract is so terminated.
- 13. DAMAGES: Under no circumstances shall Management or Resident be liable to each other for punitive damages for breach of contract related to bed bugs
- 14. LEASE TERMINATION: In the event bed bugs are determined to be in the dwelling, Management shall have the right to terminate the tenancy by giving Resident seven days' written notice requiring Resident to permanently vacate the dwelling and remove all furniture, clothing, and personal belongings. Management in its sole judgment shall have the right to terminate the tenancy and obtain possession of the dwelling regardless of who is responsible for causing the infestation or presence of bed bugs. Due to the difficulty of treating and the often repetitive treatments necessary to control the infestation, Resident must vacate the dwelling upon such termination. A Resident who fails to vacate after the lease has been terminated shall be subject to an eviction action and assumes all risks of remaining in the dwelling.
- 15. INVALID OR UNENFORCEABLE PROVISIONS: If any portion or provision of this addendum is declared to be invalid or unenforceable, then the remaining portions shall be severed and survive and remain enforceable. The court shall interpret and construe the remaining portion of this addendum so as to carry out the intent and effect of the

BED BUGS - A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed hugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- · Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed.

However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.

While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- Do not bring used furniture from unknown sources into your dwelling. Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- Do address bed bug sightings immediately. Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- Do not attempt to treat bed bug infestations. Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- Do comply with eradication protocol. If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Moldbreaksdown organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

- 4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:
 - Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
 - Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for

water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots. When showering, be sure to keep the shower curtain inside the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set on the "COOL" and "FAN/AUTO" setting (not "FAN/ON" setting or "OFF" setting) to automatically circulate air in the event temperatures rise to or above 75 degrees during winter months, or 78 degrees during summer months. Relative humidity levels should be maintained under 60% at all times in order to prevent conditions conducive to the growth of mold and mildew.
- 5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:
 - rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
 - overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
 - leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
 - washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
 - leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
 - insufficient drying of carpets, carpet pads, shower walls and bathroom floors.
- 6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from porous items, such as fibers in sofas, chairs, drapes and carpets—provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

- 7. DO NOT CLEAN OR APPLY BIOCIDES TO: (1) visible mold on *porous surfaces*, such as sheetrock walls or ceilings, or (2) *large areas* of visible mold on *non-porous* surfaces. Instead, notify us in writing, and we will take appropriate action.
- 8. COMPLIANCE. Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

9. TERMINATION OF TENANCY. Owner, Management or agent reserves the right to terminate the tenancy and RESIDENT(S) agree to vacate the premises in the event Owner, Management or agent in its sole judgment feels that either there is mold/ mildew present in the dwelling unit which may pose a safety or health hazard to RESIDENT(S) or other persons and/or

> Resident or Residents (All residents must sign here)

RESIDENT(S) actions or inactions are causing a condition
which is conducive to mold/mildew growth. If RESIDENT fails
to vacate the dwelling after receiving a written notice to
vacate, RESIDENT assumes all risks of remaining in the
dwelling and shall be liable for any resulting damage to person
or property.

LEASE CONTRACT D	ESCRIPTION.			
Lease Contract Date:	March 24, 2019			
Owner's name: Park	Square 6, LLC			
Residents (list all resi	dents):			

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

- NUMBER AND SIZE. You may install 1 satellite dish(es) or antenna(s) on the leased premises. A satellite dish may not exceed one meter (3.3 feet) in diameter. Antennas that only transmit signals or that are not covered by 47 CFR § 1.4000 are prohibited.
- 4. LOCATION. Your satellite dish or antenna must be located:
 (1) inside your dwelling; or (2) in an area outside your dwelling such as a balcony, patio, yard, etc. of which you have exclusive use under your lease. Installation is not permitted on any parking area, roof, exterior wall, window, window sill, fence or common area, or in an area that other residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to you for your exclusive use.
- 5. SAFETY AND NON-INTERFERENCE. Your installation: (1) must comply with all applicable ordinances and laws and all reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle: If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us in writing. No other methods are allowed. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.

- 6. SIGNAL TRANSMISSION FROM EXTERIOR DISH OR ANTENNA TO INTERIOR OF DWELLING. You may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc. If your satellite dish or antenna is installed outside your dwelling (on a balcony, patio, etc.), the signals received by it may be transmitted to the interior of your dwelling only by the following methods: (1) running a "flat" cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables "through a window pane," similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window—without drilling a hole through the window; (4) wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or (5) any other method approved by us
- 7. SAFETY IN INSTALLATION. In order to assure safety, the strength and type of materials used for installation must be approved by us. Installation must be done by a qualified person or company approved by us. Our approval will not be unreasonably withheld. An installer provided by the seller of the satellite dish or antenna is presumed to be qualified.
- MAINTENANCE. You will have the sole responsibility for maintaining your satellite dish, antenna and all related equipment.
- 9. REMOVAL AND DAMAGES. You must remove the satellite dish or antenna and all related equipment when you move out of the dwelling. In accordance with the NAA Lease Contract, you must pay for any damages and for the cost of repairs or repainting caused by negligence, carelessness, accident or abuse which may be reasonably necessary to restore the leased premises to its condition prior to the installation of your satellite dish, antenna or related equipment. You will not be responsible for normal wear.
- 10. LIABILITY INSURANCE. You must take full responsibility for the satellite dish, antenna and related equipment. If the dish or antenna is installed at a height that could result in injury to others if it becomes unattached and falls, you must provide us with evidence of liability insurance (if available) to protect us against claims of personal injury and property damage to others, related to your satellite dish, antenna and related equipment. The insurance coverage must be \$\frac{100000.00}{100000}\$ which is an amount reasonably determined by us to accomplish that purpose. Factors affecting the amount of insurance include height of installation above ground level, potential wind velocities, risk of the dish/antenna becoming unattached and falling on someone, etc.

This additional security deposit is required to help protect us against possible repair costs, damages, or failure to remove the satellite dish, antenna and related equipment at time of

14. SPECIAL PROVISIONS. The following special provisions move-out. Factors affecting any security deposit may vary, depending on: (1) how the dish or antenna is attached control over conflicting provisions of this printed form: (nails, screws, lag bolts drilled into walls); (2) whether holes were permitted to be drilled through walls for the cable between the satellite dish and the TV; and (3) the difficulty and cost repair or restoration after removal, etc. 12. WHEN YOU MAY BEGIN INSTALLATION. You may start installation of your satellite dish, antenna or related equipment only after you have: (1) signed this addendum; (2) provided us with written evidence of the liability insurance referred to in paragraph 10 of this addendum; (3) paid us the additional security deposit, if applicable, in paragraph 11; and (4) received our written approval of the installation materials and the person or company that will do the installation, which approval may not be unreasonably withheld. 13. MISCELLANEOUS. If additional satellite dishes or antennas are desired, an additional lease addendum must be executed. Even though smoking may be permitted in certain limited outside areas, we reserve the right to direct that you and your occupants, family, guests, and invitees cease and desist from smoking in those areas if smoke is entering the dwellings or buildings or if it is interfering with the health, safety, or welfare or disturbing the quiet enjoyment, or business operations of us, other residents, or guests.

- 6. YOUR RESPONSIBILITY FOR DAMAGES AND CLEANING.
- You are responsible for payment of all costs and damages to your dwelling, other residents' dwellings, or any other portion of the apartment community for repair, replacement, or cleaning due to smoking or smoke related damage caused by you or your occupants, family, guests, or invitees, regardless of whether such use was a violation of this Addendum. Any costs or damages we incur related to repairs, replacement, cleaning due to your smoking or due to your violation of the no-smoking provisions of the Lease Contract are in excess of normal wear and tear. Smoke related damage, including but not limited to, the smell of tobacco smoke which permeates sheetrock, carpeting, wood, insulation, or other components of the dwelling or building is in excess of normal wear and tear in our smoke free apartment community.
- 7. YOUR RESPONSIBILITY FOR LOSS OF RENTAL INCOME AND ECONOMIC DAMAGES REGARDING OTHER RESIDENTS. You are responsible for payment of all lost rental income or other economic and financial damages or loss to us due to smoking or smoke related damage caused by you or your occupants, family, guests, or invitees which results in or causes other residents to vacate their dwellings, results in disruption of other residents' quiet enjoyment, or adversely affects other residents' or occupants' health, safety, or welfare.
- 8. LEASE CONTRACT TERMINATION FOR VIOLATION OF THIS ADDENDUM. We have the right to terminate your Lease Contract or right of occupancy of the dwelling for any violation of this No-Smoking Addendum. Violation of the nosmoking provisions is a material and substantial default or violation of the Lease Contract. Despite the termination of the Lease Contract or your occupancy, you will remain liable for rent through the end of the Lease Contract term or the date on which the dwelling is re-rented to a new occupant, whichever comes first. Therefore, you may be responsible for payment of rent after you vacate the leased premises even though you are no longer living in the dwelling:

- 9. EXTENT OF YOUR LIABILITY FOR LOSSES DUE TO SMOKING. Your responsibility for damages, cleaning, loss of rental income, and loss of other economic damages under this No-Smoking Addendum are in addition to, and not in lieu of, your responsibility for any other damages or loss under the Lease Contract or any other addendum.
- 10. YOUR RESPONSIBILITY FOR CONDUCT OF OCCUPANTS, FAMILY MEMBERS, AND GUESTS. You are responsible for communicating this community's no-smoking policy and for ensuring compliance with this Addendum by your occupants, family, guests, and invitees.
- 11. THERE IS NO WARRANTY OF A SMOKE FREE ENVIRONMENT. Although we prohibit smoking in all interior parts of the apartment community, there is no warranty or guaranty of any kind that your dwelling or the apartment community is smoke free. Smoking in certain limited outside areas is allowed as provided above. Enforcement of our no-smoking policy is a joint responsibility which requires your cooperation in reporting incidents or suspected violations of smoking. You must report violations of our no-smoking policy before we are obligated to investigate and act, and you must thereafter cooperate with us in prosecution of such violations.

This is an important and binding legal document. By signing this Addendum you are agreeing to follow our no-smoking policy and you are acknowledging that a violation could lead to termination of your Lease Contract or right to continue living in the dwelling. If you or someone in your household is a smoker, you should carefully consider whether you will be able to abide by the terms of this Addendum.
